

# Algebra II Video Project Checklist

- \_\_\_\_\_ I signed up for a video topic. (The sign up page will be posted outside the math office, on the side of the locker by the door.) My topic is: \_\_\_\_\_
- \_\_\_\_\_ I made note of the due date. The due date for emailing my working video link to Mr. Martin/Mr. Shah is \_\_\_\_\_.
- \_\_\_\_\_ I planned out how I'm going to explain the concepts/present the problems. I made a writeup and turned it in to Mr. Martin/Mr. Shah so they may give some feedback.
- \_\_\_\_\_ I read the handout on what makes a good video, and watched the sample bad and good videos posted [bad video: <http://www.vimeo.com/711051> and good video: <http://www.vimeo.com/711093>]
- \_\_\_\_\_ I made my video, watched it, and was happy with it.
- \_\_\_\_\_ I signed up for Vimeo.com, and uploaded my video to the website. I understand that sometimes it takes a long time for some videos to upload, so I might have to wait up to an hour (or more!), or even upload it again another time on the off chance it didn't work the first time.
- \_\_\_\_\_ I titled the video properly (e.g. "Topic 15, Section 1.7, Vertical Translation and Horizontal Translation of Functions")
- \_\_\_\_\_ I sent Mr. Martin/Mr. Shah an email with the link to my working video.
